### *PRAYING IN HER OWN VOICE*

**On January 28th,** Sisterhood will celebrate Havdalah and show the movie ***Praying in Her Own Voice,*** which will be followed by a lay-led discussion about gender equality within our religion.

This powerful film documents the courageous struggle of the famed **"Women of the Wall"** movement which has spearheaded the battle for female equality in the religious world, beginning at the Wailing Wall where orthodox, conservative and reform women are denied the right to gather and pray.

For the past decade the movement has challenged the government of Israel and the entire Jewish world through protests and a prolonged legal battle all the way to the Israeli Supreme Court.
